DISTANCE TO SYDNEY CENTRE

12km

Marsden High School has a well-earned reputation for providing outstanding education for international students. We have an excellent Intensive English Centre, where international students develop their English language skills. We offer our students access to a broad range of subjects, additional learning programs and sporting and cultural activities in a coeducational setting. We have a focus on developing the whole student through a range of learning experiences, a high level of engagement in learning and a student wellbeing program that celebrates student development and achievement.
