TERMS AND CONDITIONS

NSW Department of Education defines a study period as one semester (2 terms and up to 22 weeks).

REVIEW OF TUITION FEES

NSW Department of Education reserves the right to review its fees. If tuition fees are increased you will be required to pay the new fees as they are introduced. If you defer your course, you will be required to pay the fees which apply at your new commencement date.

SCHOOL FEE PAYMENT

New Students must pay:

- Application fee – regardless of application outcome
- Fees specified in the DE International invoice which will be no more than 50% of the total tuition fees for the course of study or fees paid for a study period, whichever is the greater.

Continuing Students must pay:

- Fees specified in the DE International invoice by the due date.

REFUND POLICY

Application fees, airport pick-up fee and accommodation placement fee are not refundable.

Tuition fees are not refundable if:

- The student fails to comply with the conditions of enrolment at the school or English Language Centre
- The student is enrolled in Year 12 in a NSW government school. Students in Year 12 are regarded as enrolled for the whole year and are not entitled to a refund for Term 4 tuition fees
- The student breaches the visa requirements of his or her visa as imposed by the Australian government

- The student/parent provides false, inaccurate or misleading information.

Part or whole of the fees are refundable for NSW Government Schools under the following circumstances:

- If the student is refused a visa before commencing the course a refund fee will be deducted from any refund issued, consisting of 5% of the total pre-paid tuition and non-tuition fees or A\$500, whichever is the lesser of the two amounts
- If the student commences study at a NSW government school before the student visa application has been processed and it is subsequently rejected, a pro rata refund of tuition fees paid will be made
- A fee of 20% of the fees paid for up to one study period will be charged to cover administration costs and charges if the student is withdrawn by the parent or legal guardian* for any reason prior to the proposed commencement at the school
- If the student is withdrawn by the parent/legal guardian for any reason on or after the student's proposed commencement date at a school, the parent or legal guardian* must give notice of at least one school term duration in advance. A refund of fees will only apply to a term that has not commenced and only after the expiration of one term's written notice. (For example, if a current term has commenced, the following term will be considered as the notice period and fees paid for it will not be refunded, only fees paid for a term beyond the first two terms will be refunded). Additionally, a fee equal to 20% of the fees paid for up to one study period will be charged to cover administrative costs and expenses
- If the student becomes an Australian permanent resident, the student will be entitled to a full refund of the remaining fees from the date the student became an Australian permanent resident
- If the student becomes an Australian temporary resident, the student will be subject to fees under the Temporary Residents Program. Any remaining tuition fees will be transferred to the Temporary Residents Program.

Refund Procedures

- Requests for refunds must be made in writing by the parent or legal guardian* to DE International
- Refunds will be processed within four (4) weeks from receipt of the written request if it includes all required information

- A written statement will be provided to the student to explain how the refund is calculated.

** Legal guardian does not include the guardian/carer approved by the Department of Immigration and Border Protection or NSW Department of Education as required for a student visa.*

Provider Default

In the unlikely event that NSW Department of Education is unable to deliver the intended course, you will be offered a refund of the unused portion of prepaid course fees.
