

# STUDYTOURS

## SCIENCE/ENVIRONMENTAL STUDY TOUR PROGRAM

### SAMPLE STUDENT TWO WEEK SCIENCE/ ENVIRONMENTAL STUDY TOUR ITINERARY

#### INCLUSIONS

- Welcome orientation and school tour
- 'Buddy' – an Australian student of similar age as the visiting student
- Themed English lessons conducted by a qualified teacher
- Participation in classes with local students
- Excursion entry fees and transfers to/from host school, where applicable
- Completion ceremony
- Participation certificate for each student
- One adult for every 10 students is free of charge

#### GROUP SIZE

- Minimum group size is 10 students
- Large groups may be hosted by two or more schools

#### AGE

- Recommended for high school students (age 13 and above)

#### HOMESTAY

Homestay for student groups can be arranged on request. Homestay families provide:

- accommodation for one or two students (single or double placement cannot be guaranteed)
- three meals a day
- transport to and from school.

Adult accommodation is not included.

#### PRICE

- Price on application

NSW government schools form the largest education system in Australia.

Sydney and regional New South Wales have some of the most exciting natural and cultural attractions in Australia. Our climate is mild and the people of New South Wales welcome visitors from all over the world.
