NSW Government Schools - Online Application Portal

Quick Reference Guide

This quick reference guide is for parents of temporary resident students already enrolled in a NSW government school

Have you registered for online access?

Temporary Residents Program
Online application portal

- ✓ Register for parent access to your child's record
- ✓ Wait 10 business days for us to link your enrolled students to your profile
- ✓ Manage your child's enrolment online

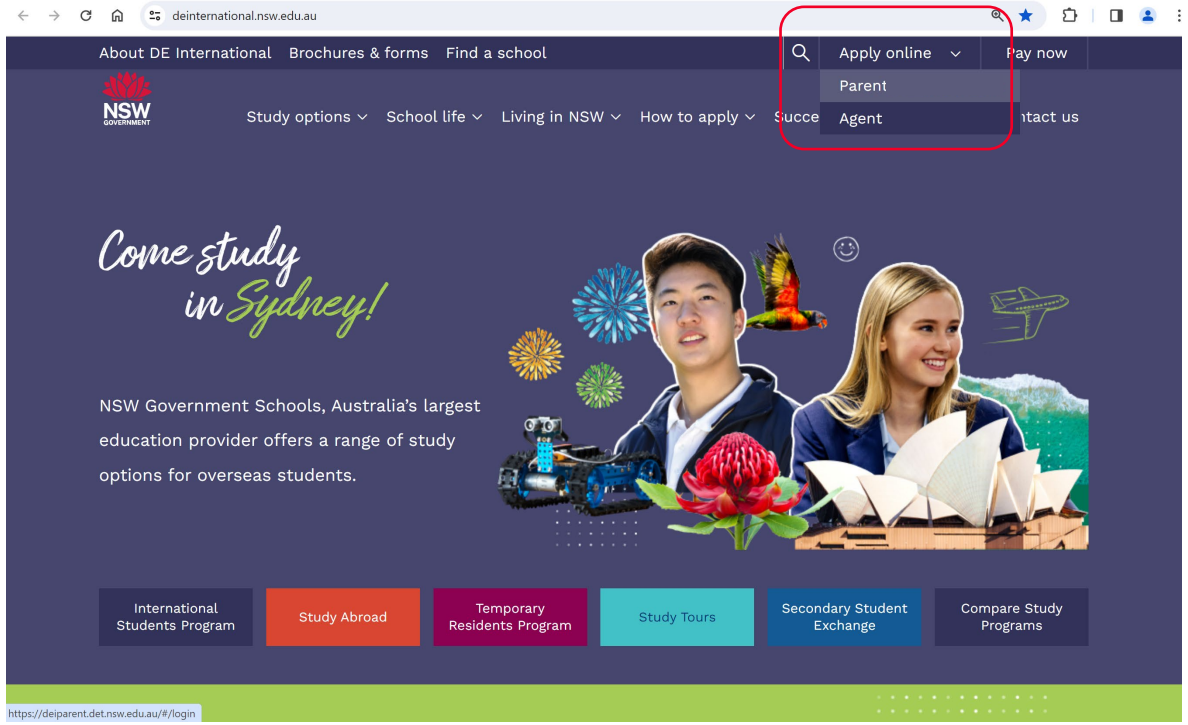

NSW Government Schools - Online Application Portal

Quick Reference Guide

This quick reference guide is for parents of temporary resident students already enrolled in a NSW government school

1. Create parent account

2. Link student account

Access the Online Application Portal

https://www.deinternational.nsw.edu.au

All parents of temporary resident students need to create an online account.

This account will be used to:

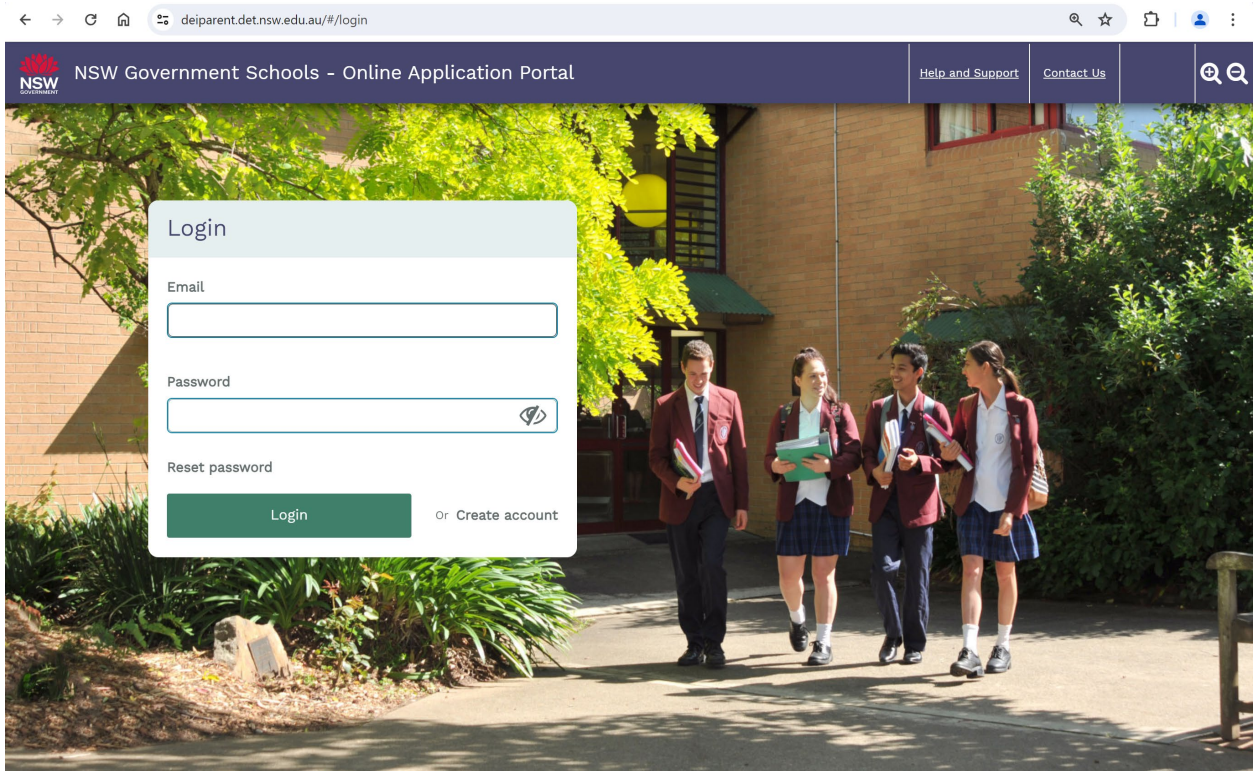

1. Manage your child's enrolment
2. Access and pay any invoices
3. Receive online communication
